SENATOR HALL: We're back to the Lindsay amendment. Anyone...the call is raised. Does anyone wish to speak to the Lindsay amendment? Seeing none, Senator Lindsay, you are recognized to close.

SENATOR LINDSAY: Thank you, Mr. President and members, again, just to reiterate what the amendment itself does includes those three major elements that I mentioned in the opening, that is the judicial pay raise, the addition of a Sarpy County judge in January 1 of '97 and the reallocation resources which includes the statistical data requirement, and then the changing in the function of the Judicial Resources Commission. I would...I think it's clear and I would hope that over the summer that some of the studies, I think there's going to be several of them that are going to take place that they would understand I think at least what some of the sentiment of the body has been is that, what I gather is that there is a concern about how we're spending the money and I appreciate that and concur with it. But at least this I hope is a step towards accomplishing some of that. I would urge the adoption of the amendment.

SENATOR HALL: Thank you, Senator Lindsay. You've heard the close on the adoption of the amendment. The question is, shall the Lindsay amendment be adopted to LB 189. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.
